E. Administration of the Account

The assets of the account will be distributed for charitable purposes and shall be administered pursuant to the Donor Circular and the governing instruments of the American Cancer Society and MS GIFT as they may be amended from time to time.

I understand that no grants may be made to private non-operating foundations, to satisfy a pre-existing pledge, for any private benefit or to support any political campaign activities. I also understand that the Board of Directors of MS GIFT remains the final authority to determine the amount and recipient of any grant and that grant recommendations do not have to be followed.

I understand that if no grant recommendations are made for a period of five years, the Board of Directors of MS GIFT may terminate any further right to make such recommendations. In such event, it would be my recommendation that grants be made to the American Cancer Society.

I understand that MS GIFT will charge administration fees against the account and pay investment management, advisory, and administrative fees in accordance with its standard procedures.

F. Acknowledgement of Terms

The American Cancer Society is an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the "Code"). American Cancer Society receives contributions from various donors which become subject to its control. American Cancer Society, in its discretion, may contribute property from time to time to MS GIFT for the purposes of establishing "private label" donor advised funds in the name of the American Cancer Society's own donors.

MS GIFT is an organization described in Section 501(c)(3) of the Code and a donor advised fund. Various divisions of Morgan Stanley Smith Barney, LLC provide investment management and administrative services to MS GIFT. All contributions to the American Cancer Society are irrevocable and non-refundable. Contributions and all related future earnings, including any income and appreciation thereon, are no longer the donor's assets; but are the property of American Cancer Society. While we believe that a private label donor advised fund provides a valuable philanthropic opportunity, contributions for such funds are not appropriate for everyone. Please see the Donor Circular for more complete information on the American Cancer Society private label donor advised fund, including a description of risks, fees and expenses.

By signing this Agreement, I request that the American Cancer Society use my donation to make a contribution to a donor account established by MS GIFT with terms like those described in this Agreement. **I have received the Donor Circular and I understand that I am responsible for reading it. I agree that my donor account shall be legally bound by the Donor Circular's terms and conditions, as currently in effect and as amended from time to time, and the terms and conditions set forth in all related forms.**

I understand that any contributions I make to the American Cancer Society are irrevocable and nonrefundable to me for any reason. I realize that any dividend, interest and capital gains generated from my donations belong to the American Cancer Society. Therefore, I cannot and will not claim that income as a subsequent tax deduction. Once my contributions have been accepted, they are the property of the American Cancer Society and are governed by MS GIFT's Board of Directors. I understand that the American Cancer Society is under no obligation to make grants to a donor advised fund maintained by MS GIFT or any other sponsoring organization. I understand that MS GIFT investments could sustain a loss which would lead to there being less money to grant than MS GIFT originally received from the American Cancer Society. **I am aware that any recommendations that I suggest will be considered but are subject to approval by the Board of Directors of MS GIFT concerning the investment selections, grants and award to any charitable organization.**

I understand that the Consulting Group Select UMA and Money Market Account pools may lose money.

I understand that market conditions may affect the actual contributed amount.

To the best of my knowledge, all information enclosed is accurate and I will immediately notify MS GIFT if any changes occur. My signature below constitutes my agreement and acceptance of all terms, conditions and features selected in all parts of this Agreement, and in all additional forms. SIGNATURES ARE REQUIRED FROM ALL DONORS LISTED ON THE ACCOUNT.
